Introduction to Bulk RNA-seq Data Analysis in R

This workshop is for biologists interested in learning how to work with R to analyze their bulk RNA-seq data and perform pathway analysis. This will be a code-along, in-person workshop.

	Title	Date	Time	Room
Session 1	Introduction to R	Monday, 08/29/2022	**11 AM – 1 PM**	**3113**
Session 2	RNA-seq Data Analysis	Tuesday, 08/30/2022	**1 – 3 PM**	**3113**
Session 3	Pathway Analysis in R	Wednesday, 08/31/2022	**1 – 3 PM**	**2108**

Please visit the [GitHub repository](#) to check the prerequisites and further information.

Please make sure you have installed R and RStudio on your computer.
